### Terrain profile

"Showa no Mori", where the sprint competition of WOC2005 was held, is a facility with a barbecue area and large playground equipment, where you can play in nature. There are also many walking paths so that you can enjoy nature as it is. The course is generally a gentle hilly area with many scrub forests. The passability is mostly passable (B), but there are some areas that are difficult to pass (C). There are some areas that require detailed map reading.
